

The figure displays a large grid with 20 columns and 4 rows. The columns are labeled 1 through 20, and the rows are labeled A through D. A single red dot is positioned at the intersection of column 1 and row 1. In the bottom right corner, there is a small table with the following structure:

Table	
Column 1	Column 2
Row 1	Row 1
Row 2	Row 2
Row 3	Row 3
Row 4	Row 4
